

Byazit Bostami

Personal ID: 1985-01-01

Address: Gripengatan 16 LGH 1003, 177 44 Järfälla Stockholm

Mobile number: 0720-15 99 21

E-mail: cse10bmi@cs.umu.se

TECHNOLOGICAL SKILLS

- **Programming Languages**
PHP, HTML, JavaScript, Python
- **Web Framework**
Magento, Bootstrap
- **JavaScript framework**
AngularJS, JSON, AJAX
- **Database**
MySQL, SQL, PostgreSQL
- **Networking Application**
Node.js, Apache 2
- **Mobile Platform**
Android
- **Other**
Ubuntu, Eclipse, NetBeans, EC2, Slack, GIT, VMWare, Docker

WORKING EXPERIENCE

- **Self Employment, Stockholm Sweden**
I am working with different kinds of projects like IoT, Android and Web development.
April 2016 – Present
- **DinBox AB, Stockholm Sweden**
DinBox has laundry booking system which allows people to book their laundry time and do their laundry. I was working as full stack web developer.
Full stack Web Developer, September 2015- March 2016
- **Smartmiljos AB, Umeå Sweden**
The idea of the system was indoor localization system which I developed in ABB. Android phones use Bluetooth to read BLE sensors and get distance to calculate triangulation formula to get the location.
Android Developer, June 2015- September 2015

- **UpWork**, *USA based outsource company*

This is outsourcing job so I worked with HTML, CSS, PHP, JavaScript and AngularJS.

Full stack Web Developer, January 2009- September 2015

Profile link: <https://goo.gl/EaLOFB>

- **ABB**, *Västerås Sweden*

Indoor localization system, I have done hands free operation which allows to control home appliance(e.g: switch, door lock) as well as current location of the user. Frequently update can be shown in web page by using JavaScript and Android. Programming language I used PHP, Javascript, Python, Java, C++ and MatLab.

Internship, November 2014- April 2015

Smarter Building Automation System using UWB-based High Accuracy RTLS.

EDUCATION

- **Umeå University**, *Sweden*

Master's in Computational Science and Engineering, 2011-2014

- **East West University**, *Bangladesh*

Bachelor in Computer Science and Engineering, 2003-2008

LANGUAGE PROFICIENCY

- **Bengali as mother tongue**
- **Fluent in oral and written English**
- **Swedish as beginner**
